The collage consists of several hand-drawn elements:

- A large portrait of a man with a goatee and a serious expression, wearing a grey shirt.
- A close-up of a brown eye with a single tear falling from it.
- A person sitting at a desk with a computer monitor. The monitor shows a woman's face and a globe. A speech bubble from the person says: "The internet is a great thing, but it's also a double-edged sword. It can be used to connect people, but it can also be used to spread hate and misinformation."
 - A small speech bubble above the person says: "I'm not a fan of the internet, but I'm not a fan of the world either."
- A person holding a smartphone. A speech bubble from the person says: "I'm not a fan of social media, but I'm not a fan of the world either."
- A person with a speech bubble that says: "I'm not a fan of the future, but I'm not a fan of the world either."
- A small illustration of a house with a chimney, a tree, and a landscape with a sunset or sunrise.
